

REMARKS

Claims 10 and 13-17 are pending in this application, with Claims 1-9, 11-12 and 18-30 cancelled. By the foregoing amendments, no new matter has been added.

At the outset, Applicants acknowledge with appreciation the allowance of Claims 10 and 13-17. In the interest of expediting issuance of this patent application, Applicants have cancelled all other claims in this application without prejudice to the filing of a continuation application.

The Examiner rejected Claims 1-9 under 35 U.S.C. § 103(a) as unpatentable over Chandra et al. (U.S. Pat. App. Publ. 2002/0138528) in view of "Question of the Day." This ground of rejection is now moot due to Applicants' cancellation of these claims.

Accordingly, Applicants respectfully submit that Claims 10 and 13-17 are in condition for allowance. Applicants request reconsideration and withdrawal of the rejections, and solicit a timely Notice of Allowability. If it would be helpful to placing this application in condition for allowance, Applicants encourage the Examiner to contact the undersigned counsel and conduct a telephonic interview.

While Applicants believe that no fees are due in connection with the filing of this paper, the Commissioner is authorized to charge any shortage in the fees, including extension of time fees, to Deposit Account No. 50-0639.

Respectfully submitted,
